**\$8.0bn**  
IN R&D IN 2018  
(14,9% OF OUR REVENUE)

## European Manufacturing and R&D

Pfizer was founded in New York (U.S.A.) in 1849. Our purpose is to deliver breakthroughs that change patients' lives. R&D is at the heart of fulfilling Pfizer's purpose as it works to translate advanced science and technologies into the therapies that matter most.
